

A still life table setting featuring lit candles, white flowers, green grapes, and pears on a dark tablecloth. The scene is illuminated by the warm glow of three lit candles in brass holders. In the foreground, two white plates with a scalloped edge are set on a dark green tablecloth, each with a single green pear. Behind the plates, a large arrangement of white flowers and greenery is visible, along with a cluster of green grapes. A silver spoon and fork are placed between the plates. The background is a dark, draped fabric.
